

# Old Metro Parkway Rebuild Project From Warehouse Road to Hanson Street

## Seminole Gulf Railway railroad track rehabilitation on Hanson Street

**Beginning 5 a.m. on Monday, September 21, 2020 through Sunday, September 27, Hanson Street will be closed at the railroad crossing while Seminole Gulf Railway rehabilitates the railroad track.** This closure will remain in place during daytime and nighttime/overnight hours until work is completed. Hanson Street from the railroad crossing to Old Metro Parkway will be open for business access only. To bypass the closed railroad crossing, through motorists may use the following detours:

- Westbound motorists wanting to access Hanson Street west of the closed railroad crossing should turn south on Old Metro Parkway, north on Metro Parkway, and east on Hanson Street.
- Eastbound motorists wanting to access Hanson Street east of the closed railroad crossing should turn south on Palm Avenue, west on Meadow Lane, north on Cranford Avenue, west on Hanson Street, south on Fowler Street, south on Metro Parkway, north on Old Metro Parkway, and east on Hanson Street.

Motorists, pedestrians and bicyclists should use extreme caution. This schedule is subject to change due to inclement weather and unforeseen underground conditions.

For additional information or assistance with alternate routes, please contact the City's public information consultant for the project, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to [info@OldMetroRebuild.com](mailto:info@OldMetroRebuild.com).
