

# City of Fort Myers Old Metro Parkway Improvements Project

## Construction Update January 26, 2021

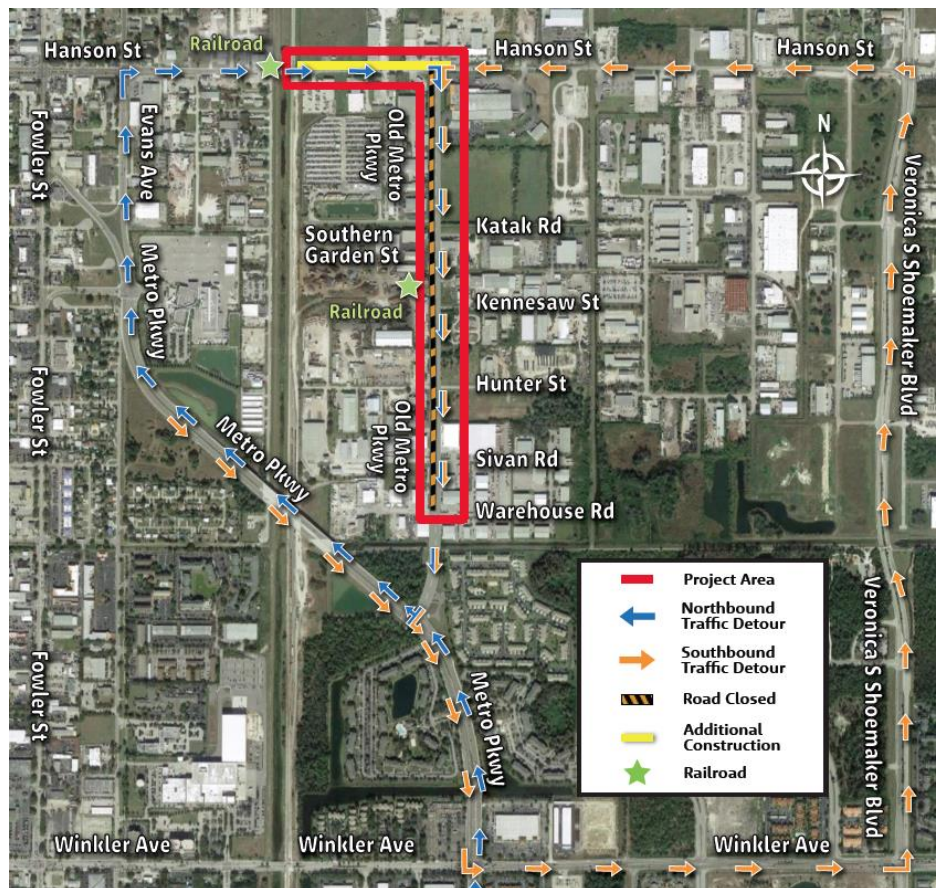

The City of Fort Myers in conjunction with the Florida Department of Transportation will rebuild Old Metro Parkway from Hanson Street to just south of Warehouse Road. Crews are expected to work during daytime hours from 7 a.m. to 7 p.m. Monday through Friday. Some Saturday work may be required. The project is expected to be complete in early 2021.

**Wednesday, January 27, crews are expected to shift the Old Metro Parkway southbound traffic to the newly reconstructed east lane so they can rebuild the west lane.**

**Old Metro Parkway will remain a one-lane SOUTHBOUND road only for the duration of construction. (See detour map below.)**

- Motorists will access Old Metro Parkway only from Hanson Street and all internal traffic will be directed south on Old Metro Parkway to Metro Parkway.
- **Motorists on Metro Parkway wanting to access Old Metro Parkway will be detoured as follows:**

- **Metro Parkway northbound traffic** will follow the detour beginning at the Old Metro Parkway/Metro Parkway intersection north onto Evans Avenue; east (right) on Hanson Street; then south (right) on Old Metro Parkway.
- **Metro Parkway southbound traffic** will follow the detour beginning at the Old Metro Parkway/Metro Parkway intersection then south on Metro Parkway; east (left) on Winkler Avenue; north (left) on Veronica S. Shoemaker Boulevard; west (left) on Hanson Street; then south (left) on Old Metro Parkway.
